

NITTY GRITTY'S CHRISTMAS LIST.

Happy Holidays. Stuck for gift ideas? This list is all you need.

INDUSTRIAX

Based on the Mornington Peninsula, IndustriaX design and create bespoke modern furniture and lighting. We love that their design is inspired by 20th Century commercial design that is pared back and practical.

We love: LPG Vessel Bowls - \$95

LORE

Fragrance nerds unite. If you're interested in hard to find, unique scents Lore Perfumery on Brunswick St, Fitzroy is the place to go. Stocking Australian and international brands, we highly recommend a fragrance consult to find your perfect scent.

We love: Artic Jade by Agonist - \$264

HANAMI

Certified cruelty free and vegan cosmetics are where it's at. Hanami Cosmetics tick all these boxes, and for us have ranked as our favourite office nail polish (doesn't every office need a selection of nail polish?) all year. Smooth, great colours and 7 free. It makes for a perfect stocking filler.

We love: Bombay Nail Polish - \$17.95

SOAP CLUB

Soap Club is a local brand that creates many things from essential oils and plant scents, including soaps (of course!), body washes and candles. Many of their products are in collaboration with other local makers, which of course, ticks a lot of boxes for us!

We love: Everyday Coffee X Soap Club Exfoliating Soap Bar - \$12

NITTY GRITTY'S CHRISTMAS LIST.

P.S.S

Post Sole Studio is a Collingwood based footwear factory. The city's north used to be the epicentre of shoemaking but now a lot of these businesses have moved their making off-shore. Not the case with P.S.S, most of their beautiful designs are made to order locally.

We love: P.S.S Beat Platform Classic - \$379

ODD PEARS

Losing a sock from a pair is a pretty commonplace occurrence, don't you wish you got three 'pairs' instead? That's one of the reasons we love Odd Pears, 3 'pairs' of socks in each pack, plus Odd Pears donate \$1 to charity for each pair of socks purchased.

We love: Mons socks - \$19

GEORGINA PROUD CERAMICS

Forming, throwing and glazing the sweetest pots, vessels and now reusable coffee cups in her North Melbourne studio, we love Georgina's care and consideration when it comes to quality and design.

We Love: Set of Marbled Cups - \$60

MILLIGRAM

Melbourne-based retail stationery distribution company Telegram, launched their own ethical and sustainable stationery brand with a nod to thoughtful design and functionality. Their range encompasses notebooks as well as desk accessories.

We love: 2018 Agenda Diary - \$44.95

NITTY GRITTY'S CHRISTMAS LIST.

AARK

Our favourite watch brand by far, we love Aark's simple designs and considered approach. Simple, colour blocked and unisex these watches tick lots of boxes.

We love: The Multi watch in Midnight - \$149

NURAPHONE

Imagine a pair of earphones that can tailor sound to your hearing for the optimum experience. That's what nuraphone earphones can do, by working with an app to create a unique hearing profile. Not only that they're Melbourne designed.

We love: Wireless nuraphone - \$499 (but you may have to wait till January to receive your order!)

THE VALLENTINE PROJECT

We can't get enough of Bianca Vallentine's Melbourne made textiles. With consideration given to sustainability, design and the making process this bedding is truly individual and one of a kind as each cover is hand painted.

We love: Psychedelic Behavior Quilt Cover - \$240 - \$480

EME NEUTRAL

Christmas often means summer breaks near the beach, and being in the hot Aussie sun, skincare is most important. We love newcomer Eme Neutral, zinc for all kinds of skin shades, that doesn't wash off after the first swim and that is 100% chemical free.

We love: Eme Neutral Zinc Base - \$35
